HOW TO MAKE A

Bostik Frog

YOU'LL NEED:

- Printed Template
- Toilet Roll (or paper towel roll, plastic wrap roll etc. cut to size)
- A4 Coloured Card
Green x2 (frog)
Red x1 (tongue)
- Scissors
- Black Marker
- Bostik Blu Stik
- Bostik Glitter Glue
- Bostik Blu-Tack

STEP 1

Print the template and find a clean surface to work on. Make sure you have everything you need.

STEP 2

Cut one piece of green paper to the same height as the toilet roll. Make sure it is long enough to wrap around the roll and overlap a little at the end.

STEP 3

Cut the legs out loosely from the template. Blu-Tack them to a piece of green paper. Cut around the template. Once cut out, remove the template and Blu-Tack. Repeat with the tongue on red paper.

Curl the rounded end of the tongue around the marker so the end curves upwards.

STEP 4

Decorate the legs and tongue with Glitter Glue and leave to dry.

Using the Blu Stik, glue the green paper around the toilet roll.

STEP 5

Using the Blu Stik, glue the straight legs onto the front and the bent legs onto the back.

Stick the eyes on the front so the top half of the eye is above the end of the roll.

Apply glue to the top of the tongue only and stick just below the mouth.

How adorable!
