HOW TO MAKE

Bostik Monsters

YOU'LL NEED:

- Printed Template
- A sheet of A4 card
- Scissors
- Coloured Markers
- Bostik Blu Stik
- 2-3 packs of Bostik Colour Blu-Tack

STEP 1

Print the template and find a clean surface to work on. Make sure you have everything you need.

STEP 2

Glue the template to some thicker A4 paper using the Blu Stik.

Colour in the eyes and teeth you want to use, then cut them out.

STEP 3

Take the Colour Blu-Tack and make any shape monster you like.

Push the eyes and mouth onto the Blu Tack to finish off your monster.

TIP: The monster you create can sit on the table or stick to window, fridge, wall... or if you reach, hang from the ceiling!
